

NOTICE OF BUS STOP CHANGE

Friendship Heights Metro

Beginning **Sunday, August 5, 2018**, the Village shuttle bus stop at the Friendship Heights Metro station will be temporarily relocated for approximately two months, due to restoration work at the Metro building.

Our bus stop will move a short distance to the Western Avenue side of the bus depot, near Military Road. Look for the sign shown at right.

This change will coincide with the temporary bus stop at Chevy Chase Center (Giant Food). In order for the bus to be headed in the right direction on Wisconsin Circle, it will be necessary to make a loop around Mazza Gallerie. While there will be no additional stops, the bus will reach the Giant stop about two minutes later than it does now. Departure time from the Giant stop will remain the same.
